

Turning your charitable gift into a local living legacy.

That's what powers *Giving Forward.*

There's no shortage of ways to support the organizations you care about in Northeast Florida. However, we invite you to maximize your gifts by *Giving Forward*.

When you give through The Community Foundation for Northeast Florida, your contributions go further — yet the benefits remain right here.

By *Giving Forward*, you champion causes with greater impact: Nearly 85% of the $48.3 million in grants made through The Community Foundation for Northeast Florida last year benefitted local residents.

By *Giving Forward*, you amplify philanthropic efforts with a partner who shares your passion for the community: We've been serving here for almost 60 years.

By *Giving Forward*, you accelerate progress in the place we call home: We've helped thousands of area nonprofits thrive by providing the leadership, connections, and momentum to grow their reach.
